

Job Posting

Have you always wanted to work with the Upper Thames River Conservation Authority? Do you want to work with a dynamic team of experts committed to improving environmental health? We have great news – now is your chance!

We have two (2) opportunities for Lifeguard at Pittock Conservation Area. These are seasonal, full time positions and the contract will cover June 26 to September 2, 2024.

Who Are We?

The Upper Thames River Conservation Authority's (UTRCA) mission statement is Inspiring a Healthy Environment. The 17 municipalities within the Upper Thames River watershed appoint representatives to the UTRCA's Board of Directors who represent the local urban and rural communities, deciding policies and programs that will lead to a healthy watershed. Our programs and services focus on five key areas:

- Protecting people and property and supporting safe development
- Delivering landowner stewardship
- Providing natural spaces and recreational opportunities
- Making science based decisions
- Empowering communities and youth

The Upper Thames River watershed encompasses an area of 3,421 square kilometers, and is mainly rural but includes the urban centres of London, Stratford, and Woodstock. The UTRCA serves a total population of approximately 539,500 residents.

UTRCA Conservation Areas provide outdoor recreational opportunities that aim to educate and promote conservation messages to a large audience in an effort to improve the watershed's natural environment

Who Are You?

As a member of the UTRCA team you will contribute to the mission of Inspiring a Healthy Environment through your skill and expertise, but also through your passion for the environment and calling to support change and make an impact. You will collaborate with like-minded colleagues to facilitate innovative approaches to the work you do in a supportive, friendly, and connected environment. The UTRCA embraces togetherness – you'll know your colleagues, have a great time working together, and feel like you belong here. If this sounds like you, we would love to hear from you!

What You Will Do

- Perform lifeguard duties for the swimming pool located within the Conservation Area;
- Ensure that all practices are conducted within established safety procedures and documented as required by relevant legislation;

- In advance of the pool opening, be ready in uniform (guard shirt, whistle, bathing suit, rescue aid) and begin to prepare the pool for opening;
- Prior to opening the pool, ensure all required safety equipment is in place as per regulations;
- Perform pool water testing and add chemicals as necessary as well as other maintenance requirements (vacuuming pool);
- Ensure the public is observing safety practices in the pool and on the deck of the pool;
- Educate the public on water safety practices;
- Perform rescues and administer first aid/CPR as required;
- Remove individuals endangering themselves or other swimmers from the pool area;
- Pick up loose garbage and dangerous items within the pool area;
- Must be familiar with practices in emergency procedures.

What You Will Bring

- Minimum grade 12 education, or equivalent is required;
- Relevant aquatic certification as follows:
 - Current standard first aid (Lifesaving Society, Canadian Red Cross, St John's Ambulance or Ski Patrol) and CPR-C;
 - Current National Lifeguard Service Award (NLS) – pool option;
 - WHMIS 2015 and swimming awards are an asset;
- Minimum of 1 year experience working as a lifeguard in a pool setting;
- Valid CPR/First Aid Certificate;
- Police check and vulnerable persons check required;
- Excellent customer service skills and interpersonal skills;
- Ability to work independently, with limited supervision, as well as in a team setting;
- The ability to use sound judgement and problem solving skills relating to lifeguarding and first aid scenarios;
- Ability to respond to urgent/crisis situations maintaining control in a calm and rational manner;
- Familiarity with outdoor swimming pool operations including pool water chemistry, the safe use of chemicals and equipment for pools;
- Excellent verbal and written communication skills;
- Ability to work varied shifts, including include days, afternoons, nights, and weekends;
- Last, but certainly not least, passion, enthusiasm, and a willingness to learn.

What We Will Do for You

- Provide a great salary: \$20.70 to \$25.36 per hour, plus 4% in vacation pay;
- Provide a professional, safe, and fun working environment. You'll get to work outside and enjoy all that spring and summer have to offer, alongside great people and co-workers;
- Schedule you to work full-time (up to 35 hours per week) throughout the contract;
- Provide paid Health and Safety, as well as position-specific task training. We want you to succeed and work safe!
- Ensure you have what you need to work. This includes providing you with a free uniform;
- Give you free access to UTRCA Conservation Areas;
- Get you started as soon as possible and continue your work throughout the summer. End dates for contracts will vary by Conservation Area.
